I officially request that my name be added to the list of nominees on this years ballot for a position on the Board of Directors.

I have been involved in flyball for ten years with the majority of that time in region 5 and now in region 6. I have been the owner of Hot Rod Hounds(536)for just as long as I have been flyball, having taken it over when the original owners decided to quit flyball. I have competed in several different regions and at CanAm. Flyball has been a big part of my life and I enjoy nothing more that showing people what flyball is all about and has to offer. Hot Rod Hounds has done flyball demos regularly promoting the sport in a positive manner. I believe with my background, experience, and love of flyball I would be an asset to the Board.

Thank you,

Donald Watson
