

To Whom it May Concern:

Our club, the fierce flyers, would like to nominate Lynda Mantler for a position on the board of directors. I personally have been in flyball for 12 years so I know Lynda has been involved longer than I. She has always been supportive of the flyball community as a whole and is always willing to lend a helping hand. She has put a lot of time, effort and money into educating herself as fully as she can to develop her skills as a dog handler and to train her dogs to their fullest potential. She is always willing to share her knowledge and help others as much as she can. We have run against and with Lynda, and she is always pleasant, tactful, and a lot of fun to run with. She has demonstrated an interest in being more than just a competitor in NAFA by working at the timing table and filling in for the regional director when he has been unable to attend a tournament. She is always willing to lend her computer skills to any club that needs help with their tournament—and she likes doing it! For a club like ours, with few members, it is always great to know we can rely on her to lend a helping hand. Region 7 has not been represented on the board of directors in over a decade and we feel that Lynda would make a great candidate. She is a dedicated, amazing person who is considerate of others. She is a great ambassador for the sport and we would be privileged to have her represent us.

Sincerely,

Pat Gerow
