6. Our existing sets of old lights were discussed. We are aware that at least two of the old sets have broken sensors. Todd will let Dale know how many sensors need replacing. He will also get the numbers off of the sensors and send them to Aaron to see if he will be able to get the one type that we have not been able to find.
7. Purchase another set of lights from Jason Serpa. Dale made a motion. Todd seconded. Motion passed unanimously.
8. Rules & Bylaws – The new set of rules just sent out did not have the Double Elimination charts in them. Ule will put them in the next NAFA news.
9. Discussion was held on violation of the 4 month rule. It has come to the boards attention that Sprin-gloaded had not asked for a variance to the 4 month rule. Even though it is a new club it still needs to write the regulatory committee for a variance for dogs to run sooner than 4 months with a new team. Also one dog on the team was left on its old team (Frenzy from Hit Squad) and was not ran or moved to the new team until after the teams first tournament. Since this is a violation it was decided that all points for the dogs in need of a variance will be taken away, along with any dog racing with that dog. Also any placements and team fast times will also be taken away. Terri will write a letter to the team captain.
10. Discussion was held regarding Ken's removal. At this time no one from the board has heard from Ken except for an e-mail letter saying that Glenn

will represent him. Dale moved to have the disciplinary committee do a review of the issues with Ken Eldridge. Ule seconded. In favor – Ule, Dale, Aaron, Terri. Opposed – Todd & Judy. Motion carried.

11. Definition/Requirements for a club per our By-Laws. Brett and Judy will work on definition of what it takes to be an affiliate club per the bylaws to present at the next board meeting.
12. Replacement for Sue's position was discussed. Several people have been contacted but no one has been named at this time.
13. "Region 2" has requested a full financial report be issued in the NAFA News. We will publish last years 990 form in the NAFA news.
14. Motion to adjourn Ule. Second Dale. Passed Unanimously. Meeting was adjourned at 10:06 pm

Respectfully Submitted,

Judy Hagan, Secretary

They only wants to get it straightened out and get the points. Tabled to July meeting. Disciplinary committee will get letters in regard to this from the TD, RD, and judge. 40,000 Point Plaques

Judy Hagan

Many of you have gotten your new 40K+ plaques and some of you are still waiting to get them. This new plaques covers awards from 40,000 points to 90,000 points. Some people have been wondering about the blank plates that have been put on spaces where new plates will someday go (hopefully). Once you attain your next level NAFA will have a new plate made up and this will be sent out to be awarded to you. You take the old plate off and replace it with the new one. You do not need to return the blank plate to NAFA. Some may wonder why it was done this way. Well this is to eliminate you from having to drill your own holes and line the new plates up on your own. Also the plaques didn't look right with empty spaces. Hopefully this will clear up any questions you might have on these new plaques.
