Nomination for the NAFA Clyde Moore Hall of Fame:

Dog's Call Name:	<u>Hobbes</u>	Dog's CRN:	<u>930808</u>
Nominated By		Breed of Dog:	<u>Mix</u>
Name:	<u>Maurice & Shannon</u>	Dog's Club Affiliation:	<u>Tailspinners & Ballistics</u>
	<u>Seeger</u>		
Address:	<u>209 Harper Lane</u>	Dog's Owner:	<u>Gary Mueller</u>
City, State/Prov., Zip/P.C.:	<u>Midland, MI 48640</u>		
Club Affiliation:	<u>Ballistics (108)</u>		

Nomination, 200 words or less:

When Gary Mueller picked out a pup at a flea market for \$30, he never dreamed that this collie/shepherd mix would not only change his life, but make history as well...

After almost losing Hobbes to parvovirus, Gary was determined to give his life a purpose, so he chose to pursue Flyball with his "Speedbump" of a dog; even after being told that Hobbes would be lucky to achieve 100 points!

Reaching 100 points was only the beginning of Hobbes's accomplishments and his impact on our sport. You see, it was Gary and Hobbes who were the first to line up anywhere beyond the 20' line. People would laugh at Gary's 45' start position and the idea that he would let go at the first yellow light! They quit laughing when they realized that dogs run faster when they cross the start line at full speed!

At the end of September 2002, at ten years of age, Hobbes became the first dog in NAFA to reach 100,000 points.

Hobbes is currently Ranked #1 in points of over 14,000 dogs in NAFA.

At the end of September 2004, Hobbes will retire from this game where he has left such an impression...

Nomination for the NAFA Clyde Moore Hall of Fame:

Dog's Call Name:	<u>Trike</u>	Dog's CRN:	<u>940779</u>
Nominated By		Breed of Dog:	<u>Border Collie</u>
Name:	<u>Nancy Forshaw</u>	Dog's Club Affiliation:	<u>Kings FlyballClub</u>
Address:	<u>9674 206th Street</u>	Dog's Owner:	<u>Debbie Dahl</u>
City, State/Prov., Zip/P.C.:	<u>Langley BC V1M 2H4</u>		
Club Affiliation:	<u>Kings Flyball Club</u>		

Nomination, 200 words or less:

Trike earned his FD on December 4th, 1994 (first tournament) and his Onyx March 31, 2001. Trike ran on the Kings Division one team as the start dog, where he led his team to four NAFA Region 7 Regular Breed Championships. (1995, 1996, 1998, 1999) Trike's average time over thirteen inch jumps was 4:05 seconds. With his swimmers turn, and sure catch, the Kings were a dominant force in the regional. Trike also attended two Purina Incredible Dog Challenge's regional in California, 1999 and 2000. One of his crowning moments was in 1999 where he ran one of his best times ever over 13 inch jumps. The Kings won the gold and advanced to the finals in St. Louis, Missouri. In 2000 Trike had a debilitating back injury and was forced to take a year off. His first tournament back he ran sub four second runs. Trike has the heart and soul of a true Champion. Trike is now retired and living in Cloverdale B.C.

Nomination for the NAFA Clyde Moore Hall of Fame:

Dog's Call Name:	<u>Indy</u>	Dog's CRN:	<u>960116</u>
Nominated By		Breed of Dog:	<u>Sheltie</u>
Name:	<u>Sheri Zamonski & Michelle Koons</u>	Dog's Club Affiliation:	<u>On the Rebound</u>
Address:	<u>5913 Evergreen Knoll</u>	Dog's Owner:	<u>Pam Koons</u>
City, State/Prov., Zip/P.C.:	<u>Howell MI 48855</u>		
Club Affiliation:	<u>On the Rebound</u>		

Nomination, 200 words or less:

Indy is a Shetland Sheep dog that runs with On the Rebound. He is currently the second highest pointed dog in N.A.F.A and the #1 Sheltie. He started his career in March of 1996 as the second height dog on Ballistics with his father, Gunner. In March of 1999 Indy became the foundation height dog for On the Rebound. He is also the first dog to earn the Hobbes award & the first sheltie, height dog, and U.S. dog to earn 100,000 points.

Indy has multitude of talents, winning prizes for his many tricks (includes jump roping) jumping his 14inch, 12 pound little body over a 40 inch high jump, therapy work & entertaining people of all ages. He has also received numerous special awards at tournaments all over the United States and Canada.

He is an extremely reliable height dog, who gives 110% always, no matter what happens. On the Rebound is very proud to have this Big dog in a little package on our team.

Michelle, Sheri, Mike, Kris and Scott

Nomination for the NAFA Clyde Moore Hall of Fame:

Dog's Call Name:	<u>Indy-Anna</u>	Dog's CRN:	<u>930136</u>
Nominated By		Breed of Dog:	<u>Border Collie</u>
<u>Gisele Savard</u> , Judy Hagan, Neil and Carolyn Flood, John Seward, Nicki and Kevin Hughes, Elsie Wesdyk, Jan Frey, Debbie and Joel Waldon, Bev Benson, Chuck Anderson, Marty Fulton, Daphne Tryhuk, Brett Duke, John and Jennifer Rohling, Jo-Anne Coulombe & Joe Goetz		Dog's Club Affiliation:	<u>Allsorts Dogsports (037)/ Animal Inn (002)</u>
Address:	<u>132 Genthon Street</u>	Dog's Owner:	<u>Robin Marion</u>
City, State/Prov., Zip/P.C.:	<u>Winnipeg MB R2H 2J5</u>		
Club Affiliation:	<u>On the Rebound</u>		

Indy was not only Allsorts Dogsport's fastest dog for many years, but was also the height dog for Region 8's unmatched powerhouse and consistently ranked in NAFA's top ten teams, the Power Pup's. Between regular and multi-breed, she played a big part in her club's achievement of seven regional titles, four multi-breed regional titles and one NAFA multi-breed championship. She has participated in many regions against some of the top teams along with participating in four PIDC's. During her career, she was often pitted against other teams' fastest dogs and rarely lost the challenge. Indy gained a reputation in the Mid-west as - "the little dog that could". A serious leg injury at the age of four left us with the prognosis that she may likely never again play flyball. Indy defied the odds and returned one year later to play the game she loved, with all the heart and determination that she has always shown and at a top competitive level that proves she is truly one of the greats in flyball. Indy retired in 2003 after 10 years of racing. Please consider electing Indy to the Clyde Moore Memorial Hall of Fame.

Nomination for Region 1 MVP Award:

Dog's Call Name:	<u>Cosmo</u>	Dog's CRN:	<u>960741</u>
Nominated By		Breed of Dog:	<u>Labrador</u>
Club Name/Number:	<u>On The Rebound 321</u>	Dog's Club Affiliation:	<u>On The Rebound</u>
Club Owner:	<u>Michelle Koons</u>	Dog's Owner:	<u>Michael Zamonski</u>
Owner's Address:	<u>23905 Heartwood</u>	Dog's Region Number:	<u>1</u>
City, State/Prov., Zip/P.C.:	<u>Novi, MI 48374</u>	(Dog must be from same region as nominating Club.)	

Nomination, 200 words or less:

Cosmo is a Labrador Retriever that runs with On The Rebound. He is currently the forth highest pointed dog in N.A.F.A and the #1 Lab. He started his career in October 1996. Cosmo is a dog that has truly loved the sport. He is like the "Monster truck" of flyball dogs. He is 80 Lbs of muscle that has been clocked running as fast as 4.3 seconds.

Cosmo runs on our "A team" for both Regular and Multi breed, helping our team constantly excel. Cosmo is not only an asset to our team during tournaments but he is a great help when it comes to training new dogs. His size can be intimidating to a green dog and very few will consider crossing into Cosmo's lane. Cosmo always gives 110%.

Cosmo has been chosen for numerous awards including the slobber award at the Ballistics tournament. Everyone that knows Cosmo knows him for slobbering all over the mats, the box and even getting the box judge.

Even at 8 S years old, Cosmo runs 4.5 seconds and continues to leave people in awe with his ability and drive. Cosmo, there will never be another one like him!

Nomination for Region 3 MVP Award:

Dog's Call Name:	<u>Darla</u>	Dog's CRN:	<u>990937</u>
Nominated By		Breed of Dog:	<u>Jack Russell Terrier</u>
Club Name/Number:	<u>All Ruffed Up/623</u>	Dog's Club Affiliation:	<u>All Ruffed Up</u>
Club Owner:	<u>Kimberly Kendall</u>	Dog's Owner:	<u>Tony Malerich</u>
Owner's Address:	<u>130 Shannon Dr. #11</u>	Dog's Region Number:	<u>3</u>
City, State/Prov., Zip/P.C.:	<u>North Liberty, IA 52317</u>	(Dog must be from same region as nominating Club.)	

Nomination, 200 words or less:

Darla weighs just 10 pounds and stands about 11 inches at the shoulder. She is small but mighty as a flyball height dog, presently being ranked as the highest pointed JRT from this region on the breed list at twenty-fourth. Darla's career started in 1999 when she started learning the game and initially rejected the idea of carrying a ball in her mouth. After some training she changed her mind and has been hooked ever since. Over the past five years she has been tearing up the flyball lanes all over Region 3. Despite her small stature she is difficult to miss because once in the ring her small black and white body becomes frenzied as she kicks barks and foams at the mouth. Darla is one of the most recognizable dogs in the region and is always a crowd pleaser because of her small size. Her contributions to the teams she has played with has been invaluable as the height dog she has carried the weight of the team on her shoulders. Darla is in many ways a larger than life flyball dog!

Nomination for Region 3 MVP Award:

Dog's Call Name:	<u>Mia</u>	Dog's CRN:	<u>970131</u>
Nominated By		Breed of Dog:	<u>Australian Shepherd</u>
Club Name/Number:	<u>#517 ToughSpun</u>	Dog's Club Affiliation:	<u>#517 ToughSpun</u>
Club Owner:	<u>Jessica Love</u>	Dog's Owner:	<u>Joe & Jeff Acker</u>
Owner's Address:	<u>P.O. Box 232</u>	Dog's Region Number:	<u>3</u>
City, State/Prov., Zip/P.C.:	<u>Columbus City, IA 52737</u>	(Dog must be from same region as nominating Club.)	

Nomination, 200 words or less:

Roanoak's Go For The Gold ("Mia") began her Flyball career in 1997, and quickly became one of the most enthusiastic and focused competitors in our region. For much of her career, she has been the most versatile and reliable performer on her teams, mentoring many newer dogs (and handlers), running in any position and in virtually every heat in every race. She's very recognizable with her beautiful red-tri colors and her vocal enthusiasm. At 8-1/2 years of age, she is still capable of running low 4's. Recently she joined the ToughSpun club, and is a valuable addition to our multibreed team as well as a positive contributor to our regular teams. As of this nomination, Mia has become the #3 Australian Shepherd amassing over 60,000 points, and is in the top 30 of all dogs in NAFA. Please consider Mia for Region 3 MVP.

Jessica Love, Pam Lee, Jean Auen-Drahos, Mike & Penny Colby

Nomination for Region 4 MVP Award:

Dog's Call Name:	<u>Lexi</u>	Dog's CRN:	<u>930833</u>
Nominated By		Breed of Dog:	<u>Mix</u>
Club Name/Number:	<u>TNT/608</u>	Dog's Club Affiliation:	<u>Flashback/058</u>
Club Owner:	<u>Val Rogalla</u>	Dog's Owner:	<u>Susan Borup</u>
Owner's Address:	<u>1609 W. South Shore Drive</u>	Dog's Region Number:	<u>4</u>
City, State/Prov., Zip/P.C.:	<u>Mahomet, IL 61853</u>	(Dog must be from same region as nominating Club.)	

Nomination, 200 words or less:

Lexi (aka Alexis Ann Von Borup) was adopted as a puppy from Ypsilanti, MI. She was supposed to be a GSD/Malamute mix. That was wrong – she weighed 20 lbs., measured 15 inches (11” height dog) and looked like a Manchester Terrier. Lexi started flyball classes outside of Lansing, MI in October of 1986 and raced her first tournament in Canada, December 1986 (placing 3rd with Lexi racing every race!). Lexi raced with ABC Dog School, Hit Squad, Mad Crew, SmackDabs and Flashback. At one time she was the #2 mix breed in point standings. She earned her Onyx in 1996, then was semi-retired but continued to race until 6 months before she died. Her racing career spanned from 1986 to 2000. Lexi started on the flyball box with the hairspray can holding the ball & graduated to the 3-hole box. Best time was just under 5 seconds. She was a tireless height dog who truly loved the game. In her career, she raced with over 100 dogs. Many teams in Region 4 can trace their roots back to a team with Lexi. Lexi is a true MVP for Region 4 – longevity, team spirit, and impact. Don't forget this classic dog!

Nomination for Region 5 MVP Award:

Dog's Call Name:	<u>Mandy</u>	Dog's CRN:	<u>940876</u>
Nominated By		Breed of Dog:	<u>Border Collie</u>
Club Name/Number:	<u>Just Say Go! / 246</u>	Dog's Club Affiliation:	<u>Just Say Go!</u>
Club Owner:	<u>Daurece Cox</u>	Dog's Owner:	<u>Daurece Cox</u>
Owner's Address:	<u>1504 Holly Circle</u>	Dog's Region Number:	<u>5</u>
City, State/Prov., Zip/P.C.:	<u>Richmond, TX 77469-4215</u>	(Dog must be from same region as nominating Club.)	

Nomination, 200 words or less:

I would like to see Mandy, a ten year old Border Collie handled and loved by Daurece Cox of Just Say Go!, be made the MVP for Region 5. She is the foundation and the most versatile dog on our team; a dog that can start, pass and run anchor. She has taught the new dogs on our team to pass and has been invaluable in teaching dogs who have lost their confidence in passing to learn the game of flyball again. The dogs that Mandy has helped have become great racers with the confidence to play the game, due to her no-fuss attitude. I have never seen a dog dislike or feel threatened around Mandy. She is a true and confident athlete that plays the game without distraction. On the track she gives her handlers 110%, whether or not it is her owner behind her. She has been racing in flyball since June of 1995 and in March, achieved her FG40K with no signs of stopping. Her Border Collie smile and desire to race are always ready and there is no slowing down for the MVP of Just Say Go!

Nomination for Region 5 MVP Award:

Dog's Call Name:	<u>Milo</u>	Dog's CRN:	<u>970376</u>
Nominated By		Breed of Dog:	<u>Jack/Parson Russell Terrier</u>
Club Name/Number:	<u>Texas Heat (338) and XDOGS (546)</u>	Dog's Club Affiliation:	<u>High Impact Flyball (221)</u>
Club Owner:	<u>Mary Fairbairn & Donna M Walker</u>	Dog's Owner:	<u>Teresa York</u>
Owner's Address:	<u>709 Ridgeway / 10317 Camelot Drive</u>	Dog's Region Number:	<u>5</u>
City, State/Prov., Zip/P.C.:	<u>Garland TX 75040 Frisco TX 75035</u>	(Dog must be from same region as nominating Club.)	

Nomination, 200 words or less:

Williamson's Mighty Milo of York, FMCH, NA, NAJ, ME, CGC, CD

When it comes to great Flyball dogs there are many things to consider. It is not only the speed of the dog and the number of points accumulated. Although these things are significant, another important element is the spirit of the dog/handler as they come together as a team. A great team creates a history not only for themselves, but also for their Club and their fellow comrades.

Milo was a little guy, but as his name indicates, he was mighty in determination. Milo didn't know how many points he had accumulated or if he was the fastest dog on the team, but he did know when he was with Teresa they were having a great time working together.

Over 6 years, Milo was with 4 Flyball clubs; TDR, Lone Star, Texas Heat and High Impact. Milo anchored many teams and helped countless dogs earn titles. In fact, many times he was the only height dog and without him the club would not have been able to participate.

Milo was known by name by everyone in Region 5. He had a lot of heart and a great personality.

Nomination for Region 5 MVP Award:

Dog's Call Name:	<u>Turbo</u>	Dog's CRN:	<u>950515</u>
Nominated By		Breed of Dog:	<u>Border Collie</u>
Club Name/Number:	<u>Cutting Edge Flyball Club</u>	Dog's Club Affiliation:	<u>Cutting Edge Flyball Club</u>
Club Owner:	<u>Kristie Burke</u>	Dog's Owner:	<u>Sharilin Brown</u>
Owner's Address:	<u>2803 W Royal Lane #2008</u>	Dog's Region Number:	<u>5</u>
City, State/Prov., Zip/P.C.:	<u>Irving, Tx, 75063</u>	(Dog must be from same region as nominating Club.)	

Nomination, 200 words or less:

Turbo, born April 25, 1990, began his life with the Brown's in Texas as a gigantic Border Collie Puppy from Tennessee, and they have forever been blessed with his love. After obtaining his CDX, HIC and CGC, Turbo found joy in the exciting new sport of flyball in 1995 with Top Dog Racers. He earned his first 3 titles in his first tournament and proved his worth as a steady, reliable dog. Turbo finished his flyball career with his FM title racing with High Impact Flyball Club. Turbo was a very special flyball dog: he could race for any handler, and gave it his all every time with every new person. Over 15 different people in Region 5 learned to handle a dog in a tournament with Turbo at their side, and each of those people will remember Turbo as a wonderful gentle giant. Turbo left us April 19, 2004, but he will always live in our hearts.

Nomination for Region 5 MVP Award:

Dog's Call Name:	<u>Sampson</u>	Dog's CRN:	<u>930186</u>
Nominated By		Breed of Dog:	<u>Irish Setter</u>
Club Name/Number:	<u>K 9 Kommotion Flyball Team 089</u>	Dog's Club Affiliation:	<u>K 9 Kommotion 089</u>
Club Owner:	<u>Michele Ladrach</u>	Dog's Owner:	<u>Teresa & Chris Turner</u>
Owner's Address:	<u>18310 Cape Bahamas Lane</u>	Dog's Region Number:	<u>5</u>
City, State/Prov., Zip/P.C.:	<u>Nassau Bay, TX 77058</u>	(Dog must be from same region as nominating Club.)	

Nomination, 200 words or less:

It's hard to think of a Region 5 Flyball Tournament without seeing a big red Irish Setter loping gleefully over the jumps. That big boy, Sampson, has been in Flyball since 1993. At 12 years old, he may not run as fast or as often but he continues to be as consistent and willing to run as when he was younger. Anyone can run him, point him at the box and wait for him to come back. But, you better have a treat.

Sampson's career began with Companion Dog Training Center. In 1995, Sampson and his "human" Teresa joined Texas Tornados. When the Tornados disbanded in 1999, they joined K9 Kommotion and have been racing with them since. Sampson earned his FMCh, Onyx and FGDCh with K9 Kommotion.

Sammy is the only Irish Setter racing in Region 5 at this time. He was the first Irish Setter to achieve the titles from FM to FGDCh, and (according to NAFA Breed Analysis) is the only Irish setter to achieve FMCh to FGDCh titles.

Sampson is an outstanding ambassador for Flyball. We on K9 Kommotion couldn't think of a more deserving dog for Region 5 MVP.

Nomination for Region 5 MVP Award:

Dog's Call Name:	<u>Heidi</u>	Dog's CRN:	<u>980071</u>
Nominated By		Breed of Dog:	<u>Welsh Corgi (Pembroke)</u>
Club Name/Number:	<u>Flat Out Flyers/507</u>	Dog's Club Affiliation:	<u>Flat Out Flyers</u>
Club Owner:	<u>Nancy Garcia</u>	Dog's Owner:	<u>Tracy Bunker</u>
Owner's Address:	<u>8106 Winding Oak</u>	Dog's Region Number:	<u>5</u>
	<u>Lane</u>		
City, State/Prov., Zip/P.C.:	<u>Spring TX 77379</u>	(Dog must be from same region as nominating Club.)	

Nomination, 200 words or less:

This little girl will be 12 years old in September but runs like a dog half her age. She runs as a height dog on our club with all the heart, stamina, determination and joy of any dog out there. You can almost see her smiling as she runs back with that ball. Heidi is loved by everyone and spectators love to watch her. She has a wonderful personality and is a great asset to our club.

Nomination for Region 7 MVP Award:

Dog's Call Name:	<u>Rocket</u>	Dog's CRN:	<u>011264</u>
Nominated By		Breed of Dog:	<u>Rat Terrier</u>
Club Name/Number:	<u>Total Anarchy, (418)</u>	Dog's Club Affiliation:	<u>Total Anarchy, (418)</u>
Club Owner:	<u>Brian Fryia</u>	Dog's Owner:	<u>Brian Fryia</u>
Owner's Address:	<u>3269 Southglen Dr.</u>	Dog's Region Number:	<u>7</u>
City, State/Prov., Zip/P.C.:	<u>Victoria BC V9C 3P5</u>	(Dog must be from same region as nominating Club.)	

Nomination, 200 words or less:

Rocket came to the sport of flyball after his adoptive family brought him to his new home in Victoria in March 2001 from Memphis Tennessee. Incredibly after 4 short months of training he entered his first race and has since never looked back as his team's only division 1 height dog. Rocket's steady improvement and tireless energy helped propel Total Anarchy to the Region 7 Championship in regular and multi-breed in 2002, and an invitation to the Purina Dog Challenge.

Running every race Rocket has rapidly obtained his many titles, and now stands as the first of his breed to obtain his FGDCH, and become NAFA's top ranked Rat Terrier. The little guy runs his heart out every tournament and still manages to keep up with the big guys averaging a respectable 4.4 seconds throughout the day.

An ambassador of the game as well, Rocket, a true crowd pleaser, has done countless demonstrations, visits to retirement homes, and fundraising walks, all in the promotion of flyball in our community. For this, and his accomplishments in the racing ring, we feel Rocket exemplifies everything that a great sporting dog should represent, and would make an excellent choice for Region 7 MVP.

Nomination for Region 8 MVP Award:

Dog's Call Name:	<u>Bayley</u>	Dog's CRN:	<u>980121</u>
Nominated By		Breed of Dog:	<u>Golden Retriever</u>
Club Name/Number:	<u>KAOS Dogsports Inc. (258)</u>	Dog's Club Affiliation:	<u>KAOS Dogsports Inc. (258)</u>
Club Owner:	<u>Donna Lewis</u>	Dog's Owner:	<u>Bill Stovin</u>
Owner's Address:	<u>33 Crystal Drive</u>	Dog's Region Number:	<u>8</u>
City, State/Prov., Zip/P.C.:	<u>Copper Sands SK S4L 1B4</u>	(Dog must be from same region as nominating Club.)	

Nomination, 200 words or less:
A Golden Opportunity

That is exactly what it was the day Bayley, Golden Retriever, arrived on Bill's doorstep. It was the beginning of a partnership forged on mutual affection.

Bayley was a natural at Flyball. He made his debut with the KAOS(258) team in Brandon in April 1998. He crossed that start line and never looked back. At the end of the 2003 racing season Bayley attained his FG40K

Along the racing miles, Bill and Bayley helped to shape many budding flyball careers. Bayley taught with patience, helping many green dogs earn their Flyball titles, racing on any team that needed him. Bayley would lean way over to look down the racing lane to see how the youngster was doing. He was a true sportsman and a great ambassador for the sport of Flyball. Bayley loved to entertain, always carrying the Canadian Flag at KAOS team Demonstrations.

Bayley was taken from Bill due to cancer in April 2004 at 8 years of age. He will be missed by us all.

It is with great pride that the KAOS team nominates Bayley (CRN #980121) for MVP in Region 8. 2004.

Nomination for Region 9 MVP Award:

Dog's Call Name:	<u>Maggie</u>	Dog's CRN:	<u>970659</u>
Nominated By		Breed of Dog:	<u>Mix</u>
Club Name/Number:	<u>DogGoneFast Flyball Club/233</u>	Dog's Club Affiliation:	<u>DogGoneFast Flyball Club</u>
Club Owner:	<u>Amanda Brown</u>	Dog's Owner:	<u>Geoff Brown</u>
Owner's Address:	<u>6209 Gainsborough Drive</u>	Dog's Region Number:	<u>9</u>
City, State/Prov., Zip/P.C.:	<u>Raleigh NC 27612</u>	(Dog must be from same region as nominating Club.)	

Nomination, 200 words or less:

Maggie was never a super-fast flyball dog, but she loved the game. She was introduced to flyball when she was 8 years old and caught on right away. Maggie played flyball her own way, she would always duck the jumps on the return during practice, but rarely made a mistake during a tournament. Affectionately known as "Maggie the Meat Grinder", she would teach many of the DogGoneFast dogs to pass, and never to cross over to *her* flyball box! Maggie was the DGF start dog for several years.

Maggie's last full time tournament was at the age of 12 in Feb 2002. She continued to teach new dogs the flyball game and finally retired in the fall of 2003. Maggie left us in May of 2004 and is now playing flyball her way every day. We would like to nominate Maggie in honor of her enthusiasm and love for the game.

Nomination for Region 10 MVP Award:

Dog's Call Name:	<u>Scout</u>	Dog's CRN:	<u>970360</u>
Nominated By		Breed of Dog:	<u>Jack Russell Terrier</u>

Nomination, 200 words or less:

Scout is now 9 years old and began his Flyball career playing on the very first Club ever created on PEI in Region 10. He also competed at the first ever tournaments held in Region 10 (Moncton, NB). Since that time, he's been a consistent height dog running at tournaments from Winnipeg and Minneapolis to various cities in the Maritimes. Scout will go with or without his human counterpart and race consistently each and every time.

Clubs in his career are:

SCOPE

Atlantic Dog Sports

K-9 Studio Strike Force

Paws Unlimited

Here in Region 10, Scout is known to all the competitors. Scout joined Paws Unlimited in 2002 and we have depended on him both to support our newer dogs as they are introduced to the mats, as well as be the sole height dog on a Team from time to time. To his credit, Scout was one of the height dogs on the Team that won Paws Unlimited the first Multi Breed Championship ever presented in Region 10. I feel that Scout exemplifies everything that this Award is meant to recognize. He is consistent, deserving of recognition, invaluable and he dearly loves this sport.

Nomination, 200 words or less:

Indy has demonstrated the intense desire to be the best she can be. With such a sense of competitiveness she has run as the height dog for Fast 'n FURious Airwave for the last year. Competing at 11 inches, running regularly in the high 4.3's, Indy competes against other teams anchor dogs unlike any other dog in our flyball club. Being so aware who she is racing against, Indy does ambidextrous swimmer's turns, always facing her competition. Her intensity, her competitiveness, her desire to be faster than the other anchor dogs and her tremendous value to her Airwave team make Indy an excellent choice for our region's Most Valuable Performer.

Nomination, 200 words or less:

We would like to vote for Brandi that runs on Lietash PUSH The Limits BLUE team.

Brandi came to Pam & Heather Brown as a puppy of 5 1/2 weeks old from an abusive home through a shelter called WAAG. She looked like a little sib mix. When I first met Brandi, I asked Heather why she picked this puppy? My exact words I believe were: "Your going to do Flyball with that puppy?????" Brandi is now 4yrs old and our fastest dog on Lietash PUSH the Limits running 3.8-4.0 Brandi can run ANY position on her team but having the most fun as Anchor dog. Her awesome swimmers turn allows her to consistently run in the low 4's. Without Flyball Brandi would have been a very shy and inverted dog, but because of Flyball, she is very outgoing, and loves to race. Brandi is working towards her FMX and should have this very soon. She also love other dog sports like Agility, Dockdogs, and has fun with our Demo Team, always helping out our team. At every tournament she goes to everyone comments on her box turn. We hope Brandi is voted for MVP for region 10.

Nomination, 200 words or less:

Jovi was on heavens doorstep when she started a new life with Carl and Gwen Dingee in the summer of 1998. Jovi was enrolled in a FAME flyball class and didn't show any interest in the game at first but once she got onto the racing lanes in the spring of 1999, Carl and Gwen knew that they had found what Jovi was born to do. Jovi had to be taught to hold a ball in her mouth but no one had to teach her to race. Her ability to run and race is instinctive and she can really make a difference in a race that is close. She has always run anchor because she can always be counted on to pick up the pace when her team needs to win a heat and has been known to shave 0.3 seconds off her average time when she is behind and wants to win. She achieved her FM title in her first year of racing and, over the last 5 years, has racked up close to 19,000 points. She is among the top 5 dogs lifetime in region 10 and she anchored the team that set the FAME club record that still stands today.

Nomination, 200 words or less:

There is only one word to describe Collin, "HEART". Collin (Cubby) is a four-year-old male neutered Border Collie. Collin was abandoned as a puppy and spent almost three months of his early life in a SPCA rescue facility. That is where Cathy met Collin and fell in love, and soon after took him home. Collin was six months old. Cathy spent many hours with Collin to make him into one of the most loved and talented flyball dogs in the Maritimes. Collin has incredible drive and zest for life. He turns everything into a game, bouncing and playing with his butt up in the air, usually shaking any toy he can find. Collin recently received his FMX and helped his team run 17.41. He has spent his whole career in Division 1, and runs 4.0-4.1. Collin can run in any position, but loves anchor dog because he loves to race. Collin always rises to the challenge of a fast dog. He loves people and is friendly with dogs, but most of all loves cuddling with mom on the couch, and Black Lab sister Cinder.

City, State/Prov., Zip/P.C.:	<u>Pompano Beach FL 33064</u>	<u>(Dog must be from same region as nominating Club.)</u>	

Nomination, 200 words or less:

Goldeneye is a 6 ½-year-old red and white Border Collie who is well known in our and other regions. He started his flyball career in 1999, one tournament after Florida's inaugural tournament. Goldeneye has competed in over 60 tournaments since that date, with an average speed of 4.1 seconds. Goldeneye can run in any position but is our untiring start dog. He never slows down and can jump 16 inches all day long. He was the first Region 11 dog to receive his ONYX and FGDCH. He has other skills, as well, and competes in frisbee and agility and works with rescues on obedience. He also enjoys scootering.

Border Collies sired by Goldeneye race in Florida, North Carolina and Iowa. But he passed on more than his keen flyball skills. Offspring with his sound temperament provide therapy for handicapped children.

He has been a visible force in promoting dog sports in general and specifically flyball in Region 11 by his accomplishment and constant presence at tournaments, demos and other spectator events. We feel as a team that Goldeneye is a great ambassador for the sport of flyball and truly deserves the recognition of being Regional MVP for Region 11.

City, State/Prov., Zip/P.C.:	<u>Lakeland, FL 33805</u>	<u>(Dog must be from same region as nominating Club.)</u>	

Nomination, 200 words or less:

Welsh Corgi (Pembroke), Gallant Monty, a height dog jumping 8 inches has been racing since 2001, but has earned his titles in the last year and a half. He has brought our teams from over 24 seconds, to under 20 depending on his team mates. He is known for trash talking his team to even greater speeds, and for never doing warmups in later races, preferring to save his energy for the real race. In addition to his almost-Onyx, he has competed in agility and obedience and is a great all around homeboy. Already among NAFA's top pointed P W Corgis, he may reach the top ranks before he retires in a couple of years. FAX is very proud of our first real height dog.

Nomination for Region 12 MVP Award:

Dog's Call Name:	<u>Buddy Hendriks</u>	Dog's CRN:	<u>000544</u>

City, State/Prov., Zip/P.C.:	<u>Calgary, AB T2Z 2X7</u>	(Dog must be from same region as nominating Club.)	

Nomination, 200 words or less:

Calgary Konfuzion would like to nominate Buddy Hendriks as MVP for region 12. Buddy has been one of the top dogs in region 12 since her debut with Spectrum Speed in April 2000, earning 3 titles (1349 points total) in her first weekend, until her retirement in November of 2003. While with Spectrum Speed, she was a core member of the Division 1 team, running in the low 4 second range, and demonstrating an ability to run in any position, and pass any dog. While a quiet and calm dog away from the arena, she would go into a frenzy once she knew it was time to race, often requiring a "Buddy Shagger" to help Sharon.

One could argue that Northern Power Paws owes their existence to Buddy. Her owner, Sharon Hendriks, was more interested in agility, but Buddy quickly got her hooked on Flyball. Sharon and her husband John eventually founded Northern Power Paws. Regrettably, Buddy's health started deteriorating in 2003, with seizures, and other debilitating ailments forcing her to retire, shortly after earning her FDGCH. It was truly disheartening to watch such a great flyball dog run her last race, and NPP's times suffered with her loss.

Nomination for Region 13 MVP Award:

Dog's Call Name:	<u>Daisy</u>	Dog's CRN:	<u>980140</u>
Nominated By		Breed of Dog:	<u>American Cocker Spaniel</u>
Club Name/Number:	<u>New England Trailblazers (346)</u>	Dog's Club Affiliation:	<u>New England Trailblazers (346)</u>
Club Owner:	<u>Kathryn Stein</u>	Dog's Owner:	<u>Gail Davolio</u>

Nomination, 200 words or less:

Daisy is a 12 -year-old, buff, Cocker Spaniel lovingly rescued and trained by Gail Davolio of the New England Trailblazers (346) Daisy started her Flyball career in 1998 playing with the very first Flyball team ever created in New Hampshire (All Dogs). She and her mom, Gail Davolio, traveled to Philadelphia, PA to earn her FD. Daisy and Gail have been playing together ever since. They have traveled from Maryland to Sarnia, ON to pursue 'the game.' Early on, Daisy often ran on more than one team as height dogs in this region were few and far between. Last January, Daisy earned her FDGCH and she continues to be an outstanding height dog with unending enthusiasm. Without Daisy, Flyball in this region would have never been the same. I, Diana Tyson, of New England Trailblazers, would like to nominate Daisy as Region 13 MVP.

Thank you for your consideration,
Diana Tyson

Nomination for Region 14 MVP Award:

Dog's Call Name:	<u>Tweed</u>	Dog's CRN:	<u>010910</u>
Nominated By		Breed of Dog:	<u>Border Collie</u>
Club Name/Number:	<u>The Gamblers /562</u>	Dog's Club Affiliation:	<u>The Gamblers</u>
Club Owner:	<u>Paul Ferlitto</u>	Dog's Owner:	<u>Cindy Ferlitto</u>
Owner's Address:	<u>150 Hidden Meadows Lane</u>	Dog's Region Number:	<u>14</u>
City, State/Prov., Zip/P.C.:	<u>Wilsonville, AL 35186</u>	(Dog must be from same region as nominating Club.)	

Nomination, 200 words or less:

Tweed came to us in March of 2001. He was this big, rangy wolf looking dog that was down on his luck at the sheep farm. Apparently, he was not what they wanted. He was all we wanted and more. He had never played with a tennis ball and wouldn't tug. Today Tweed is a solid flyball dog. He loves to run as start dog, but he runs equally well in any position. He will pass any dog and will run for any person. He is the dog you put with green dogs and new people so they can see how fun flyball can be. He is a true team player. He was the 3rd dog in our region to get his ONYX , not that it mattered to Tweed. He lives, loves and breathes flyball as anybody who has seen him run will acknowledge. He is not the fastest, nor the highest pointed dog. But what Tweed has is steadiness, consistency and a real love for the game. These are the qualities, we believe, of a great flyball dog. He will always be an MVP to us.

Nomination, 200 words or less:

It is with the greatest honor the Rock N Rogues humbly and unanimously submit that Paige of The Gamblers is the most deserving dog for MVP in our Region. Most of the dogs currently running in Region 14 have run with or been trained with the help of Paige's steady paws. Her handler, always hated when I called Paige a lady but she truly is the most gracious and gentle of dogs and the title of Lady Paige is most fitting. She raced with her entire heart and yet, has an undying capacity for tolerance with the most annoying of dogs including my Jack Russell who she helped to start in the game. Paige is retiring this year and it is a sad day for our Region. We feel it is a most fitting time for her to be named Region 14 MVP. She is among a small select few who jump-started our region in the sport. It is with a tear of the greatest affection and undying gratitude that I have the privilege of submitting her name. Thank you.

Nomination for Region 15 MVP Award:

Dog's Call Name:	<u>Tosh</u>	Dog's CRN:	<u>930023</u>
Nominated By		Breed of Dog:	<u>Mix</u>
Club Name/Number:	<u>4 Dog Night/526</u>	Dog's Club Affiliation:	<u>4 Dog Night</u>
Club Owner:	<u>Kim Fedor</u>	Dog's Owner:	<u>Kim Fedor</u>

City, State/Prov., Zip/P.C.:	<u>Hyattsville MD, 20782</u>		(Dog must be from same region as nominating Club.)

Nomination, 200 words or less:

Tosh started her flyball career in December of 1994 at the age of 5 with a trip to Flint Michigan where she earned her first three titles. She was very versatile and at one time or another she ran in all positions but did her best as a very reliable third dog. Tosh and I have had many memorable moments. The one I will never forget was the time when at the end of a race as we were shaking our opponents hands the captain of the other team said to me "when I heard Tosh coming I knew we had already lost". Tosh earned her Onyx in November of 2001 at the age of 12. During her 7 year racing career she ran with No Speed Limit, Capital Punishment and 4 Dog Night.

Nomination for Region 16 MVP Award:

Dog's Call Name:	<u>Bailey</u>	Dog's CRN:	<u>980871</u>
Nominated By		Breed of Dog:	<u>Mix</u>
Club Name/Number:	<u>Rev It Up! (561)</u>	Dog's Club Affiliation:	<u>Rev It Up!</u>
Club Owner:	<u>Ursula Kinley</u>	Dog's Owner:	<u>Mike Corsaro</u>
Owner's Address:	<u>737 Vaquero Drive</u>	Dog's Region Number:	<u>16</u>
City, State/Prov., Zip/P.C.:	<u>Mt. View, CA 94043</u>	(Dog must be from same region as nominating Club.)	

Nomination, 200 words or less:

Bailey, a nine-year-old border collie-corgi rescue, has loved the tennis ball from the beginning. Even with his deformity, radius curvus, which caused his front legs to twist out as he matured, Bailey has been an outstanding height dog.

His structure is against him, but his passion for the sport has carried him through the challenge of playing flyball. His career started with Pawdemonium, and he was their first reliable height dog, helping the team to break 19 seconds. As a founding member of Rev It Up, he has been the dog the team depends on most. Though he runs in every heat, he still gives it his all, recently matching his personal best of 4.9 seconds.

Bailey has been a well-known member of the Region 16 flyball community for years. Bailey doesn't have the best turn, and isn't the fastest height dog, but his long, low structure and intense drive always capture the attention of competitors and spectators.

Based on his ability to overcome his disability and meet the constant demand of a height dog, it would be outstanding to recognize Bailey as the Most Valuable Player in Region 16.
